

ANOTHER CHAMBER & SIEDC BENEFIT

(Perhaps better than the rest!)

Heidelberg University and Tiffin University are partnering with The Seneca Regional Chamber of Commerce and Seneca Industrial and Economic Development Corporation (SIEDC) to provide a significant discount toward coursework at either institution.

Employees of SIEDC and Chamber member organizations will receive a tuition discount of up to \$200 per credit hour from either Heidelberg University or Tiffin University.

The discount can be used to complete a degree, for a certificate program or for single classes. Any verified employee of a Chamber and SIEDC business member is eligible for the tuition discount, which begins May 2017. Proof of employment required prior to the discount being awarded.
